i.e. Pre-existing Maternal History =

“Select all pre-existing Maternal health condition and/or complications”

History Tab

The screenshot shows a web-based medical application interface. On the left is a navigation menu with categories: PSO (PSO Screen, PSO Follow-up), Antenatal Care (Antenatal General, Antenatal Specialty), Labour & Birth (Labour, Birth Mother, Postpartum Mother), and a patient profile for 'Boy Kaye'. The main content area is titled 'Antenatal General' and has two tabs: 'History' (highlighted with a red box) and 'Pregnancy'. The 'History' tab contains the following sections:

- Pre-Existing Health History:**
 - Pre Existing Health Conditions: A text box containing 'Pulmonary \ Asthma' and a 'SELECT' button.
 - Mental Health Concerns: A multi-select dropdown menu with options: None, Anxiety, Depression, and History of Post Partum Depression.
 - Woman Abuse: A dropdown menu with the value 'Unable to ask'.
- Obstetrical History:**
 - Gravida (G): 1
 - # of Previous Term Births (T): 0
 - # of Previous Preterm Births (P): 0
 - # of Previous Abortion (A): 0
 - # of Living Children (L): 0
 - # of Previous Stillbirths (S): 0
 - # of Previous Vaginal Births: 0
 - # of Previous Cesarean Births: 0
 - # of Previous VBACs: 0
 - Parity: 0

At the bottom right of the form are four buttons: 'Save', 'Proceed', 'Submit', and 'Cancel'.

- Enter data into the history tab.
- Multi-select- Select all that apply.
- In box multi-select -Scroll and select all that apply.
- “Proceed” when all information has been entered on this tab.

If information is missing and/or you receive an error message, complete and select proceed again.

Pregnancy tab
